## AHS Vocaloids and Chihiro Ishiguro at Anime Messe Berlin 2016

*For the first time the Vocaloids from AHS will be performing in Germany. As nearly lifelike 3D projections they are brought to the big stage and "Yuzuki Yukari" will even sing along with her voice actress "Chihiro Ishiguro". The Anime Messe Berlin will take place from 03 to 05 June 2016.*

### AHS Vocaloids

In cooperation with AnimeRadio.de the Anime Messe Berlin presents the virtual pop idols "Yuzuki Yukari", "Tohoku Zunko", "Nekomura Iroha", "Miki", "KaaI Yuki" and "Hiyama Kiyoteru" of AHS for the first time in Germany. As a special highlight also "Chihiro Ishiguro" the voice actress of "Yuzuki Yukari" was invited. They will both sing together on 3th June 2016.

For the concert a special screen and a projector are used to bring the Vocaloids to life and the animation will be prepared for every song.

How that works and what programs are needed for this will be explained during a workshop by Mr. Tomohide Ogata, founder and CEO from AHS. And if you are fired up and want to try it yourself, you can get in touch with AHS at their booth and also purchase the software there.

VOCALOID™ SOFTWARE

## Chihiro Ishiguro

Who does not know about these idols from Japan? Even in Germany they are getting popular more and more for some time. At the Anime Messe Berlin, we welcome the singer and voice actress "Chihiro Ishiguro".

She primarily is known as the voice of the VOCALOID Yuzuki Yukari. The video, in which Yuzuki Yukari and she sing together, has earned over 80,000 views in a single day. As a voice actress she lent her voice to characters like Benzaiten from "Noragami ARAGOTO", Saika Maeda from "Girl Friend BETA" and others. She has also played characters in many games including Succubus Chiquita Elma in "Puyopuyo!! Quest" and Hiroko Hagakure in "Danganronpa Another Episode: Ultra Despair Girls". She won the fan voting and earned the role of Arisha in a game called "Mabinogi:Heroes". Moreover she regularly organizes her ongoing concert series "Chihirose Garden" and she's been a model of "Brilliant Star Decollations", a Gothic and Lolita fashion show.

At the Anime Messe Berlin she will hold a concert and also an autograph session on Saturday. Furthermore she will be performing together with "Yuzuki Yukari" on Friday.
